

**APPLICATION FORM FOR CONNECTION REQUESTED BY DISTRIBUTION COMPANIES TO THE OMAN ELECTRICITY TRANSMISSION COMPANY (OETC) SYSTEM**

**PLEASE STUDY THE FOLLOWING NOTES BEFORE COMPLETING AND SIGNING THIS APPLICATION FORM.**

1. OETC requires the information requested in this application form for the purposes of preparing an Offer (the "Offer") to enter into an agreement for use of the Transmission System. It is essential that the Distribution Company should supply all information requested in this application form and that every effort should be made to ensure that such information should be accurate.
2. Should OETC consider that any information provided is incomplete or unclear or should OETC require further information in order that it may prepare the Offer, the Distribution Company will be requested to provide further information or clarification.
3. Should there be any change in any information provided by the Distribution Company after it has been submitted to OETC; the Distribution Company must immediately inform OETC of such a change.
4. OETC shall charge the Distribution Company, and the Distribution Company shall pay to OETC, Charges in relation to the application (See table A). No application will be considered until such Charge has been paid.
5. OETC will make the Offer as soon as is reasonably practicable and, in any event, within 3 months of the effective date of the application or such later period as the Authority may agree.
6. The offer of a Connection Agreement made by OETC to the Distribution Company must accept no more than 15 weeks, after which the offer automatically lapses. Acceptance of the offer commits the OETC works relating to Distribution Company development and binds both parties to the terms of the offer.
7. The Offer may, where it is necessary to carry out additional extensive system studies to evaluate more fully the impact of the proposed development, indicate the areas that require more detailed analysis. To enable OETC to carry out any of the above mentioned necessary detailed system studies the Distribution Company may, at the request of OETC, be required to provide some or all of the Detailed Planning Data listed in Appendix A to the Planning Code which is part of the Grid Code.
